

Cookies policy

Cookie is a file that is downloaded to your computer when accessing certain web pages. Cookies allow a web page, among other things, to store and retrieve information about the browsing habits of a user or their equipment and, depending on the information they contain and the way they use their equipment, they can be used to recognize to user. The user's browser memorizes cookies on the hard disk only during the current session occupying a minimum memory space and not harming the computer. Cookies do not contain any kind of specific personal information, and most of these are deleted from the hard drive at the end of the browser session (the so-called session cookies).

Most browsers accept cookies as a standard and, regardless of these, allow or prevent temporary or stored cookies in security settings.

Without your express consent -through the activation of cookies in your browser- this website will not link in the cookies the memorized data with your personal data provided at the time of registration or purchase.

What types of cookies does this website use?

Technical cookies: are those that allow the user to navigate through a web page, platform or application and the use of different options or services that exist in it, such as controlling traffic and data communication, identifying the session, access restricted access parts, remember the elements that make up an order, perform the purchase process of an order, make the request for registration or participation in an event, use security elements during navigation, store contents for dissemination of videos or sound or share content through social networks.

Personalization cookies: These are those that allow the user to access the service with some predefined general characteristics based on a series of criteria in the user's terminal, such as the language, the type of browser through which the user accesses the service , the regional configuration from where you access the service, etc.

Third party cookies

This website may use third-party services that, on behalf of their respective owners, collect information for statistical purposes, use of the site by the user and for the provision of other services related to the activity of the site and other Internet services.

This website uses Google, Inc., which is domiciled in the United States and is headquartered at 1600 Amphitheater Parkway, Mountain View, California 94043. For the provision of these services, these use cookies that collect information, including address User's IP, which will be transmitted, processed and stored by Google in the terms set in the Google.com Website. Including the possible transmission of such information to third parties for reasons of legal requirement or when said third parties process the information on behalf of Google.

The User expressly accepts, for the use of this site, the treatment of the information collected in the manner and with the purposes. And acknowledges knowing the possibility of rejecting the treatment of such data or information rejecting the use of Cookies by selecting the appropriate configuration for this purpose in your browser. While this option to block cookies in your browser may not allow full use of all the features of the site.

You can allow, block or delete the cookies installed on your computer by configuring the browser options installed on your computer:
