

Effective date: January 01, 2019.

Proactive Performance Logistics ("we", "us" or "our") operates the website <https://www.proactivepl.us> (the "Service").

This page informs you about our policies regarding the collection, use and disclosure of personal information when you use our Service and the options associated with that data. Our Privacy Policy for Proactive Performance Logistics is administered through our own policies.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of the information in accordance with this policy. Unless otherwise defined in this Privacy Policy, the terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which can be accessed from <https://www.proactivepl.us>

### Collection and use of information

We collect several different types of information for various purposes to provide and improve our Service.

- Types of data collected
  - Personal information

While using our Service, we may ask you to provide us with certain personally identifiable information that may be used to contact you or identify you ("Personal Information"). Personally identifiable information may include, but is not limited to:

- Email address
- Name and surname
- Cookies and usage data

### Usage Data

We may also collect information about how the Service is accessed and used ("Usage Data"). These Usage Data may include information such as the Internet Protocol address of your computer (for example, the IP address), the type of browser, the browser version, the pages of our Service you visit, the date and time of your visit, the time devoted to those pages, exclusive information. Device identifiers and other diagnostic data.

### Monitoring and data of cookies

We use cookies and similar tracking technologies to track the activity in our Service and retain certain information.

Cookies are files with a small amount of data that may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. Tracking technologies are also used as beacons, tags and scripts to collect and track information and to improve and analyze our Service.

You can tell your browser to reject all cookies or indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some parts of our Service.

### Examples of cookies we use:

- Session cookies. We use session cookies to operate our service.
- Preferred cookies We use cookies of preference to remember your preferences and several configurations.
- Security cookies We use security cookies for security purposes.

## Use of Data

Proactive Performance Logistics uses the collected data for several purposes:

- Provide and maintain the Service.
- To notify you about changes in our Service.
- To allow you to participate in the interactive functions of our Service whenever you wish.
- Provide customer service and support.
- Provide valuable analysis or information so we can improve the Service.
- Monitor the use of the Service.
- Detect, prevent and address technical problems.

## Data transfer

Your information, including Personal Data, may be transferred to a computer (s) maintained outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ from those in your jurisdiction.

If you are outside the United States and you decide to provide us with information, please note that we transfer the data, including Personal Data, to the United States and process it there.

Your consent to this Privacy Policy, followed by the sending of such information, represents your consent to that transfer.

Proactive Performance Logistics will take all measures reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and your personal data will not be transferred to an organization or country unless adequate controls are in place, including security of Your data and other personal information.

## Disclosure of Data

- Legal requirements

Proactive Performance Logistics may disclose your personal data with the good faith belief that such action is necessary to:

- Comply with a legal obligation.
- To protect and defend the rights or property of Proactive Performance Logistics
- To prevent or investigate possible irregularities in relation to the Service
- Protect the personal safety of the
